Fun, sun, space and style.

You'll be pleasantly surprised when you walk thru the door of this affordable & appealing 165m2, 4 bedroom home with its spacious living rooms, the high ceilings in the bedrooms, the tranquility of the study and the warmth of the home: all-day sun plus the comfort of the woodburner or heatpump at night.

The expansive lounge and dining provide relaxed living while the breakfast bar in the kitchen provides convenient quick snacks and a chat.

You are greeted by the freshness of the recent redecoration, painted inside and outside (including the roof), meaning it will be several years before you need to pick up a paint brush.
